

## Summer Salad with a Twist!

Of course you can always throw a hard-boiled egg on a salad, but why not try a fried egg instead?

First, fry an egg in Grapeseed Oil or Olive Oil specifically for sautéing with a “dash” *Papa Joe’s Salt*. Next sauté a boneless chicken breast with the oil of your choice, garlic, and a “dash” of *Papa Joe’s Salt Original* or *Jamaican Jerk*. Mix together your favorite greens, sliced almonds, shredded mozzarella (or cheese of your choice). Add a slight drizzle of cream of balsamic and olive oil for dressing. Top off the salad with the chicken and egg, and perhaps one more “dash” of Joe’s!
